Homestyle Direct[®]
Your Health. Your Meals. Your Choice.

Thank You, Case Managers
For Connecting People to Care, Support and Nutrition

Each year, Homestyle Direct serves more than 10 million meals, using FedEx to deliver frozen, prepared meals across 34 states.

We're proud to support case managers with easy referrals, extensive data reporting capabilities and medically tailored meals that help improve nutrition, support smoother care transitions and keep members healthier at home.

With 95%+ member satisfaction, we're grateful to support Medicaid and direct-pay populations and the dedicated case managers who serve them.
